Founder & Managing Director

2023 → Present

SCALES GmbH (myscales.ch) · AI Consultancy

FOUNDER

Conversational AI Consulting: Advisory and implementation of chatbot & voice bot solutions for enterprise clients. **LLM integration** for optimized dialog systems. Requirements analysis and specifications. Training and customization of AI models for client-specific use cases. Close collaboration with agile teams.

Founder & Board Member

2020 → 2026

daita AG · Data Quality Platform

EXITED

Co-founded data quality platform. **CHF 1M+ seed funding**. Built foundation for enterprise AI through clean data. Technical documentation and product specifications. **Shares sold Feb 2026**.

Business Area Lead

2018 → 2022

Consulteer AG · IT Consulting

Full P&L for two business units. **Built 35-person team** from zero. Multi-million CHF revenue. Enterprise client consulting on digitalization projects. Agile methodology (Scrum).

Key Account Manager

2015 → 2018

GULP Schweiz AG · IT Staffing

Scaled enterprise B2B accounts to **€6M annual revenue**. Technical requirements analysis and client consulting.

THE DIFFERENCE

Strategy + Hands-on Implementation in one person.

I don't just design Conversational AI solutions — I build and implement them myself. From requirements analysis to production-ready voice bots.
