EXPERIENCE

VP Growth
2025 → Present

amnis treasury ag · Swiss Fintech **CURRENT**

Voice AI & Conversational Automation: Design and implementation of voice bots for customer support. LLM integration (Claude, GPT-4) for intelligent conversation flows. Multi-agent systems for automated customer interactions. Requirements engineering and technical documentation.

Founder & Managing Director
2023 → Present

SCALES GmbH (myscales.ch) · AI Consultancy **FOUNDER**

Conversational AI Consulting: Advisory and implementation of chatbot & voice bot solutions for enterprise clients. **LLM integration** for optimized dialog systems. Requirements analysis and specifications. Training and customization of AI models for client-specific use cases. Close collaboration with agile teams.

Founder & Board Member
2020 → 2026

daita AG · Data Quality Platform **EXITED**

Co-founded data quality platform. **CHF 1M+ seed funding**. Built foundation for enterprise AI through clean data. Technical documentation and product specifications. **Shares sold Feb 2026.**

Business Area Lead
2018 → 2022

Consulteer AG · IT Consulting

Full P&L for two business units. **Built 35-person team** from zero. Multi-million CHF revenue. Enterprise client consulting on digitalization projects. Agile methodology (Scrum).

Key Account Manager
2015 → 2018

GULP Schweiz AG · IT Staffing

Scaled enterprise B2B accounts to **€6M annual revenue**. Technical requirements analysis and client consulting.

THE DIFFERENCE ↗

I ship production systems, not slide decks.

Architect + Builder + Consultant in one. From whiteboard to live voice bot in weeks. Currently running my own AI assistant 24/7 with voice, multi-agent orchestration, and real-time integrations.
